The **Booster Club** is a parent led organization that provides significant financial support to athletic teams, academic teams, drama, student leadership teams, marching band and capital improvements to the high school. Both the Athletic Department and the Activities Office are dependent on the funds raised by the Booster Club every year. With the \$100,000 that the Booster Club allocates every year, both areas are able to continue to operate high quality athletic and student activity programs at NNHS. The following is a list of past allocations:
